Volkswagen Interchangeable Clutch Kits

Application..2005-10 Volkswagen Jetta Turbo Diesel with the BRM engine 1.9 and 2.5 liter

Clutch Kit...17-065

Subject:.....Only Replace as a Clutch Set.

This application must be replaced as a complete clutch set (clutch, disc and flywheel).

Sachs and Luk are original suppliers for this one application and they are interchangeable.

While either manufacture will replace the other, **you must replace as a complete set only!**
